

In contrast to years past, SPR has improved the procedure for panel submissions this year so that the panel organizer submits the panel abstracts as well as the abstracts for each of the panel submissions.

If you need to assemble a panel from work that has already been submitted, the SPR support team stands ready to help. Email support@meetingsavvy.freshdesk.com to let them know how they can help.

Panel Submission Process 2016

The screenshot shows the SPR website interface. At the top left is the SPR logo (SOCIETY FOR PSYCHOSOCIAL RESEARCH). A blue callout box with white text points to a link in the 'Structured Discussion/Panel/Pre-Conference Workshop' section. The callout text reads: "Begin from your portal and select the link to Add New Structured Discussion/Panel/Pre-Conference Workshop". Below the callout, the page shows a navigation bar with "My Submissions" and "My Messages". Under "My Submissions", there are two sections: "Poster/Brief Paper" (with a "New Poster/Brief Paper" link) and "Structured Discussion/Panel/Pre-Conference Workshop" (with an "Add New Structured Discussion/Panel/Pre-Conference Workshop" link). A table lists a submission with the following data:

Title/Authorship	Type	First Keyword	Date Submitted	Delete	edit
adasad <i>Brad Smith, MeetingSavvy.com, Brad Smith, MeetingSavvy.com</i>	Structured Discussion	Alexithymia	11/6/2016 10:06:23 PM	Delete	edit

At the bottom of the page, there are links for "Need Help?" and "Logout".

The screenshot shows a form titled "Please select the type of session you wish to submit:". There are three radio button options: "Structured Discussion", "Panel", and "Pre-Conference Workshop". A blue callout box with white text points to the "Panel" radio button. The callout text reads: "Select 'panel'". Above the form, there is a "Session Type" dropdown menu and a "Next" button.
